## Medicaid Updates

### Clarification to Provider Reenrollment in the April 2003 Health Insurance Portability and Accountability Act (HIPAA) Article

The provider reenrollment referred to in the April 2003 bulletin (B0300155) does *not* mean that providers who are currently enrolled in the Colorado Medicaid Program will have to reenroll.

The "reenrollment" process affects Colorado Medicaid electronic claim submission. Electronic submitters will have to complete new Electronic Data Interchange (EDI) enrollment forms. The revised forms will contain the new HIPAA requirements. The new EDI enrollment documents include:

- The EDI Provider/Submitter Enrollment Form, and
- A Trading Partner Agreement for the submission of electronic transactions.

The revised documents will be available to providers and the electronic submitter communities by the end of July 2003. All affected providers and submitters will need to complete, sign and return the new forms by October 16, 2003.

### Open House for the New Medical ID Cards

The Department of Health Care Policy and Financing will be hosting an open house on **Tuesday June 17, 2003.**

**Time: From 9:00 AM - 4:00 PM**

**Location: Holiday Inn**

**4849 Bannock Street, Denver (at I-70 and I-25)**

There will be 15-minute presentations throughout the day about the new **Medical ID Cards that are replacing the Medicaid Authorization Cards, or MACs.** The presentations begin at the top of each hour. Following the presentations, there will be a question and answer session. Medifax will also be there to demonstrate and display their technology.

For further information regarding Medifax, please call Jeanne Landey, at: 1-800-444-4336 ext 2546.

### The Department of Health Care Policy and Financing (HCPF) Has Moved

The new HCPF address is:

**1570 Grant Street  
Denver, CO 80203-1818**

Please send all mail for the State to the above address. The current telephone numbers and email addresses for State employees remain the same.

### HCBS Waiver Providers

Effective July 1, 2003, HCBS waiver providers will require certification for each waiver service they bill. This applies to claims with dates of service on or after July 1, 2003. If, according to State records, providers bill for services that they are not certified to provide, the claim will be denied.
